Analysis by the Legislative Reference Bureau

Current law requires the Department of Transportation to publish highway service maps and folded highway maps of the state highway system. DOT must identify on these highway service maps and folded highway maps each veterans memorial highway or bridge and the location of specified veterans memorials, homes, and museums. This bill requires DOT to identify the location of the Mount Horeb Veterans Memorial on these maps.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
