AUTHORS SUBJECT TO CHANGE

1 **AN ACT to create** 118.60 (2) (c) 3. and 119.23 (2) (c) 3. of the statutes; **relating**
2 **to:** qualifications of teachers at private schools participating in a parental
3 choice program.

Analysis by the Legislative Reference Bureau

Under current law, with certain exceptions, in order to teach at a private school participating in a parental choice program (PCP), a person must have at least a bachelor's degree from an accredited institution of higher education.

This bill allows a person to teach pupils attending summer school at a private school participating in a PCP if he or she is enrolled in a teacher education program that leads to initial licensure as a teacher.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 **SECTION 1.** 118.60 (2) (c) 3. of the statutes is created to read:
5 118.60 (2) (c) 3. Notwithstanding par. (a) 6. a., a person who is enrolled in a
6 teacher education program that leads to initial licensure as a teacher may teach
7 pupils attending summer school at a private school participating in the program
8 under this section.
