Referred to Committee on Criminal Justice and Public Safety.

AUTHORS SUBJECT TO CHANGE

1 **AN ACT** *to create* 20.435 (1) (ck) and 256.158 of the statutes; **relating to:**
2 epinephrine for ambulances and making an appropriation.

Analysis by the Legislative Reference Bureau

This bill requires that the Department of Health Services reimburse ambulance service providers for a set of two epinephrine auto-injectors or a set of two draw-up epinephrine kits for each ambulance operating in the state. Under the bill, an ambulance service provider means an ambulance service provider that is a public agency, volunteer fire department, or nonprofit corporation. The bill also requires that, on an ongoing basis, DHS must, upon request, reimburse ambulance service providers for replacement sets of epinephrine auto-injectors or draw-up epinephrine kits. DHS may only reimburse ambulance service providers for epinephrine if each ambulance for which the ambulance service provider is reimbursed is staffed with an emergency medical service provider who is qualified to administer the epinephrine.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 20.435 (1) (ck) of the statutes is created to read:
