

2017 ASSEMBLY BILL 901

January 31, 2018 - Introduced by Representatives KLEEFISCH, HORLACHER, KOOYENGA, PETERSEN and TITTL, cosponsored by Senator MOULTON. Referred to Committee on State Affairs.

AUTHORS SUBJECT TO CHANGE

- 1 **AN ACT** *to amend* 29.024 (2) (d); and *to create* 29.164 (6) of the statutes;
2 **relating to:** the transfer of wild turkey hunting authorizations.

Analysis by the Legislative Reference Bureau

Under current law, in addition to having a wild turkey hunting license and a valid wild turkey hunting stamp in order to hunt wild turkey in a wild turkey hunting zone or during a wild turkey hunting season time period (for example, one week during a longer wild turkey hunting season) established by the Department of Natural Resources, a person must also have a wild turkey hunting authorization that is valid for that zone and that season time period. This bill allows two holders of wild turkey hunting authorizations for different season time periods in the spring to exchange those hunting authorizations by each applying to DNR to transfer his or her hunting authorization to the other. The bill requires the application to be submitted to DNR no later than the first day of the earlier of the season time periods, limits a person to one such transfer per year, and prohibits a person from receiving consideration for such a transfer.
