The division shall approve a manufacturer's or rectifier's full-service retail outlet, and may not revoke this approval, unless the manufacturer or rectifier has violated a provision of this chapter related to full-service retail outlets. The division's failure to approve, or revocation of approval of, a full-service retail outlet described in a manufacturer's or rectifier's application or permit does not affect any other full-service retail outlet or the manufacturing or rectifying premises as described in the application or permit.

3. If the division approves a full-service retail outlet, the manufacturer's or rectifier's permit, as initially issued or as amended, shall particularly describe the premises constituting the full-service retail outlet, which shall be considered part of the premises under the manufacturer's or rectifier's permit.

4. If the division approves a full-service retail outlet, the agent appointed under s. 125.04 (6) for the manufacturer's or rectifier's permit shall also serve as the agent for the full-service retail outlet.

5. Section 125.04 (12) (a) does not apply to a manufacturer's or rectifier's full-service retail outlet. A full-service retail outlet under sub. (4) shall be subject to the same closing hours applicable to a Class "B" licensee under s. 125.32 (3) (a).

(b) On a manufacturer's or rectifier's premises and at a full-service retail outlet, no person may sell alcohol beverages at retail for off-premises consumption during the hours in which a Class "B" licensee in the municipality where the manufacturing or rectifying premises or retail outlet is located may not make retail sales under s. 125.32 (3) (am) and (d).

(c) 1. Except as provided in subd. 2. and par. (f), a winery may make full-service retail sales of alcohol beverages on the winery premises and at any of its full-service retail outlets only if the alcohol beverages were purchased by the winery from a wholesaler holding a permit under s. 125.28 or 125.54, from a brewer authorized to make sales to retailers under s. 125.29 (3m), from a brewpub authorized to make sales to retailers under s. 125.295 (1) (g), or from a permittee under s. 125.30 authorized to make sales to retailers under s. 125.30 (4).

2. A winery is not required to purchase from another permittee wine manufactured or bottled by the winery that the winery sells at retail on the winery premises or at a full-service retail outlet of the winery.

3. Subject to subd. 2. and par. (f), a winery engaged in full-service retail sales on winery premises or at a full-service retail outlet of the winery is subject to ss. 125.33 (9) and 125.69 (6) to the same extent as if the winery were a retail licensee.

(d) 1. A winery may not commence sales of alcohol beverages at a full-service retail outlet unless, prior to commencing such sales, the winery receives approval from the municipality in which the full-service retail outlet is located and from the division as provided in par. (g).

2. Subject to par. (f), a municipality may limit the scope of alcohol beverages offered for sale at a full-service retail outlet only with respect to alcohol beverages that are not of the same type as those produced by the person holding the winery permit. A municipality may not

limit the sale, at a full-service retail outlet, of alcohol beverages produced by the person holding the winery permit. If a municipality limits the scope of alcohol beverages offered for sale, the provision of taste samples is limited to those alcohol beverages authorized to be sold.

3. Except as provided in subd. 2., a municipality's approval under subd. 1. shall be based on the same standards and criteria that the municipality has established by ordinance for the evaluation and approval of retail license applications. A municipality may not impose any requirement or restriction in connection with the approval under subd. 1. that the municipality does not impose on retail licensees.

(e) 1. A winery may operate a restaurant at any full-service retail outlet under this subsection and on the winery premises.

2. If the winery operates a restaurant as provided in subd. 1., the winery may make retail sales of wine in an opened original bottle, in a quantity not to exceed one bottle, for consumption both at the restaurant and away from the restaurant if all of the following apply:

a. The purchaser of the wine orders food to be consumed at the restaurant.

b. The winery provides a dated receipt that identifies the purchase of the food and the bottle of wine.

c. Prior to the opened, partially consumed bottle of wine being taken away from the restaurant, the winery securely reinserts the cork into the bottle to the point where the top of the cork is even with the top of the bottle, or securely reattaches the original cap to the bottle, and the cork is reinserted or the cap is reattached at a time other than during the hours in which the winery is prohibited under sub. (4) (b) from making retail sales for off-premises consumption.

(f) 1. If a winery may establish one or more full-service retail outlets under pars. (b) and (g) and the winery also holds a manufacturer's or rectifier's permit or brewer's permit or both and, as such, may establish full-service retail outlets under s. 125.29 (7) (b) and (g) or 125.52 (4) (b) and (g), the aggregate number of full-service retail outlets that may be established is the maximum number authorized under par. (b), under s. 125.29 (7) (b), or under s. 125.52 (4) (b), whichever is greatest, but not exceeding 3 full-service retail outlets. Under these circumstances, each authorized full-service retail outlet shall serve as the full-service retail outlet associated with each applicable permit, regardless of whether the permittee would otherwise be entitled to fewer full-service retail outlets when calculated under par. (b) or s. 125.29 (7) (b) or 125.52 (4) (b).

2. If a winery may engage in full-service retail sales on the winery premises as provided in par. (a) 2. and the winery also holds a brewer's permit or manufacturer's or rectifier's permit or both, the winery may make retail sales on the winery premises of fermented malt beverages produced under its brewer's permit or intoxicating

liquor produced under its manufacturer's or rectifier's permit without first purchasing the fermented malt beverages or intoxicating liquor from a wholesaler holding a permit under s. 125.28 or 125.54 or receiving the fermented malt beverages under authorization of s. 125.29 (3m) (b), 125.295 (1) (g), or 125.30 (4).

3. If a person holds more than one winery permit under this section, the retail sales authority under this subsection for winery premises applies with respect to each winery permit, but the limit on full-service retail outlets is an aggregate maximum, regardless of the number of winery permits held.

(g) 1. An application for a winery permit, including an application for an amendment to the winery permit, shall specify each full-service retail outlet of the winery and particularly describe the premises of the full-service retail outlet.

2. The division shall establish a process for approval of a winery's full-service retail outlet and for revocation of this approval. The division shall approve a winery's full-service retail outlet, and may not revoke this approval, unless the winery has violated a provision of this chapter related to full-service retail outlets. The division's failure to approve, or revocation of approval of, a full-service retail outlet described in a winery's application or permit does not affect any other full-service retail outlet or the winery premises as described in the application or permit.

3. If the division approves a full-service retail outlet, the winery permit, as initially issued or as amended, shall particularly describe the premises constituting the full-service retail outlet, which shall be considered part of the premises under the winery permit.

4. If the division approves a full-service retail outlet, the agent appointed under s. 125.04 (6) for the winery permit shall also serve as the agent for the full-service retail outlet.

5. Section 125.04 (12) (a) does not apply to a winery's full-service retail outlet. (4) (a) On winery premises, no person may sell alcohol beverages at retail for on-premises consumption, provide taste samples of alcohol beverages, or consume alcohol beverages during the closing hours applicable to a Class "B" licensee under s. 125.32 (3) (a). A full-service retail outlet under sub. (3) shall be subject to the same closing hours applicable to a Class "B" licensee under s. 125.32 (3) (a).

(b) On winery premises and at a full-service retail outlet, no person may sell alcohol beverages at retail for off-premises consumption during the hours in which a Class "B" licensee in the municipality where the winery

or retail outlet is located may not make retail sales under s. 125.32 (3) (am) and (d).

(c) No member of the public or invited guests may be present on winery premises during the closing hours applicable to a Class “B” licensee under s. 125.32 (3) (a).
