### ***Analysis by the Legislative Reference Bureau***

This bill requires the Department of Corrections to close the Type 1 juvenile correctional facilities currently known as the Lincoln Hills School for boys and Copper Lake School for girls and report to the Joint Committee on Finance on the feasibility of converting these facilities to a correctional treatment facility for adults in the earned release program. If JCF finds that the conversion is feasible, DOC is required to submit plans for the conversion to the Building Commission for approval. The bill also requires DOC to establish and operate between six and ten regional Type 1 juvenile correctional facilities in the state.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.
