1 **AN ACT** *to amend* 11.1112; and *to repeal and recreate* 11.1104 of the statutes;
2 **relating to:** establishing campaign contribution limits for contributions to
3 certain persons.

Analysis by the Legislative Reference Bureau

Current law allows unlimited campaign contributions to certain entities, such as political action committees, legislative campaign committees, and political parties. This bill limits those contributions from any one person to \$10,000 for each such entity, except that the bill retains the unlimited contributions under current law for contributions that a candidate makes to his or her candidate committee from the candidate's personal funds.

Current law allows a political party or legislative campaign committee to establish a segregated fund to use for general purposes, but not for making contributions to a candidate committee or for making disbursements for express advocacy. Persons other than a political action committee, corporation, cooperative, labor organization, or tribe may make unlimited contributions to the segregated fund. A political action committee, corporation, cooperative, labor organization, or tribe may make a contribution to the fund in amounts not to exceed \$12,000 in the aggregate in a calendar year. The bill eliminates the provision allowing a political party or legislative campaign committee to establish such a fund.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
