AUTHORS SUBJECT TO CHANGE

1 **AN ACT to amend** 36.49 (4) of the statutes; **relating to:** the award of Wisconsin
2 Merit scholarships to University of Wisconsin System students.

Analysis by the Legislative Reference Bureau

This bill eliminates the sunset date for Wisconsin Merit scholarships awarded to University of Wisconsin System students.

Current law requires the Board of Regents of the UW System to annually award Wisconsin Merit scholarships in the amount of \$5,000 to UW System students. These scholarships are paid from the normal school fund from an appropriation balance after certain other expenses are paid, but scholarships may not be awarded on or after April 1, 2023.

This bill eliminates the April 1, 2023, sunset date for these UW System merit scholarships.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
