2023 Senate Joint Resolution 73

ENROLLED JOINT RESOLUTION

To create section 1m of article III of the constitution; **relating to:** requiring photographic identification to vote in any election (first consideration).

Resolved by the senate, the assembly concurring, That:

SECTION 1. Section 1m of article III of the constitution is created to read:

[Article III] Section 1m (1) No qualified elector may cast a ballot in any election unless the elector presents valid photographic identification that verifies the elector's identity and that is issued by this state, the federal government, a federally recognized American Indian tribe or band in this state, or a college or university in this state. The legislature shall by law establish acceptable forms of photographic identification, and the legislature may by law establish exceptions to the requirement under this subsection.

A provisional ballot may not be counted unless the elector presents valid photographic identification at a later time and place as provided by the legislature by law.

SECTION 2. Numbering of new provisions. If another constitutional amendment ratified by the people creates the number of any provision created in this joint resolution, the chief of the legislative reference bureau shall determine the sequencing and the numbering of the provisions whose numbers conflict.

Be it further resolved, That this proposed amendment be referred to the legislature to be chosen at the next general election and that it be published for three months previous to the time of holding such election.
