6

7 "(g) The state construction department, in consultation with
8 the Wyoming oil and gas conservation commission, shall review the
9 state processes for planning and funding major maintenance of
10 public facilities of the oil and gas conservation commission,
11 including those processes specified in subsection (c) of this
12 section, and shall develop a plan for funding major maintenance or
13 creating a major maintenance reserve for facilities owned by the
14 oil and gas conservation commission. The state construction
15 department shall report to the state building commission and the
16 joint appropriations committee on the review required by this
17 subsection not later than October 31, 2025.".
