

FISCAL NOTE

The Secretary of State's Office will experience an estimated expenditure increase of approximately \$88,000 for this resolution in FY19 for statutory publication costs. This estimate is based on anticipated publication costs for resolutions of this type of \$15,025 for introductory lines plus \$1,571 for each line of text in the proposed resolution and proposed ballot language.

The Secretary of State's Office did not provide the above total cost estimate of fiscal impact due to insufficient time to complete the fiscal note process. The above total cost estimate was computed by LSO, based on the anticipated publication cost estimates provided by the Secretary of State's Office.

This cost may be considered an administrative cost but is listed here for consistency.
