

HOUSE BILL NO. HB0115

Donated blood-mRNA disclosure.

Sponsored by: Representative(s) Penn, Angelos, Bear, Davis, Heiner, Hornok, Knapp, Locke, Neiman, Ottman, Pendergraft, Singh, Slagle, Smith, Strock, Styvar, Ward and Winter and Senator(s) Biteman, French, Hutchings and Ide

A BILL

for

1 AN ACT relating to public health and safety; requiring
2 blood donors to disclose vaccination status as specified;
3 requiring blood packaging to be marked as specified;
4 allowing a person who receives a blood transfusion to
5 request the use of certain blood; and providing for an
6 effective date.

7

8 *Be It Enacted by the Legislature of the State of Wyoming:*

9

10 **Section 1.** W.S. 35-34-101 is created to read:

11

12

CHAPTER 34

13

BLOOD DONATIONS AND VACCINATIONS

1

2 **35-34-101. Disclosure of mRNA vaccinations for blood**
3 **donations; labeling; right to request certain blood.**

4

5 (a) Any person who collects human blood donations for
6 the purpose of providing blood for human blood transfusion
7 shall require blood donors to disclose whether the blood
8 donor has received a COVID-19 vaccine or a messenger
9 ribonucleic acid vaccine during the donor's lifetime.

10

11 (b) Blood originating from a donor who has received a
12 COVID-19 vaccine or a messenger ribonucleic acid vaccine
13 shall be conspicuously marked.

14

15 (c) In a nonemergency situation, as determined by the
16 person providing medical services, a person receiving a
17 blood transfusion shall have the right to request blood
18 based on whether or not the blood originated from a person
19 who has received a COVID-19 vaccine or a messenger
20 ribonucleic acid vaccine, as long as the requested blood is
21 available.

22
