

SENATE FILE NO. SF0047

City engineers-duty to estimate project cost.

Sponsored by: Senator(s) Case and Representative(s) Larsen

A BILL

for

1 AN ACT relating to cities and towns; amending a city
2 engineer's duty to provide cost estimates as specified; and
3 providing for an effective date.

4

5 *Be It Enacted by the Legislature of the State of Wyoming:*

6

7 **Section 1.** W.S. 15-3-212 is amended to read:

8

9 **15-3-212. Engineer; duties; other employees; outside**
10 **work.**

11

12 The city engineer shall keep records of all work done for
13 the city and any other records the governing body requires.

14 All such records are public records belonging to the city
15 and shall be turned over to any successor to the office.

16 ~~Before the governing body makes any contract for any work~~

1 ~~or improvement exceeding two hundred dollars (\$200.00), the~~
2 ~~city engineer shall submit to the governing body an~~
3 ~~estimate of the cost thereof.~~ The city may employ other
4 engineers or assistants for any work for the city either
5 within or without the city limits. Any work done by the
6 city engineer for the city, outside the limits thereof,
7 shall be expressly provided by ordinance.

8

9 **Section 2.** This act is effective July 1, 2015.
