

SENATE FILE NO. SF0062

Aeronautics reporting requirements.

Sponsored by: Senator(s) Von Flatern, Anderson and Rothfuss
and Representative(s) Hallinan

A BILL

for

1 AN ACT relating to aeronautics; amending reporting
2 requirements for the Wyoming aeronautics commission as
3 specified; and providing for an effective date.

4

5 *Be It Enacted by the Legislature of the State of Wyoming:*

6

7 **Section 1.** W.S. 10-3-602(c) and 10-7-104 are amended to
8 read:

9

10 **10-3-602. Wyoming air services enhancement account.**

11

12 (c) The commission shall report to the joint ~~minerals,~~
13 ~~business and economic development~~ transportation, highways
14 and military affairs interim committee, the joint
15 appropriations ~~interim~~ committee and the air transportation

1 liaison committee annually no later than September 30, with
2 respect to the status of the program under W.S. 10-3-601. The
3 report shall include any actions taken and funds expended in
4 consideration of, and pursuant to, any contract entered into
5 under W.S. 10-3-601, and the performance of any recipient of
6 funds under the contract including measurements of
7 contractual assurances of benefits accruing to the state.

8

9 **10-7-104. Contracts to improve commercial air service.**

10

11 The commission may, after competitive bidding, enter into
12 contracts to procure commercial air service, to obtain
13 professional, financial or technical assistance directly
14 related to the commercial air service improvement plan or for
15 any other purposes necessary to implement the commercial air
16 service improvement plan. The attorney general shall review
17 and approve any contract under this subsection before it is
18 executed. Beginning September 30, 2019, and by September 30
19 annually thereafter, the commission shall provide a report on
20 any contracts entered into under this subsection to the
21 governor, the joint ~~minerals, business and economic~~
22 ~~development~~ transportation, highways and military affairs
23 interim committee, the joint appropriations committee and the

1 air transportation liaison committee. The report shall
2 describe any actions taken and funds expended in
3 consideration of, and pursuant to, any contract entered into
4 under this subsection, and shall analyze the performance of
5 any recipient of funds under any contract.

6

7 **Section 2.** This act is effective July 1, 2019.
